## 2024 Residential Utility Rates

In Area E, the residential utility billing includes one service area based on metered rates. The utility bills are issued every three months in January, April, July, and October through utility billing user fees in addition to taxation.

### METERED RATES:

- › Based on consumption through a meter read.
- › All metered rates include a minimum charge up to a set amount of usage measured in cubic metres (m<sup>3</sup>).
- › Usage beyond the set amount is billed at a per m<sup>3</sup> rate.
