REQUEST FOR QUOTATION

1.0 INTRODUCTION

The Fraser Valley Regional District ("FVRD") is seeking proposals from contractors with demonstrated capacity, capabilities, and experience to provide professional painting services for the repainting of the pool basin at the FVRD Recreation Centre in Hope, British Columbia (the "Services"). The project entails applying Ramuc High Build epoxy paint, including a white base coat, black race lines, and a red depth line, to the pool basin. The total area to be painted encompasses approximately 453m², comprising 413m² for the basin walls and floors, 40m² for the race lines, and 2m² for the red depth line.

Contractors are invited to submit a quotation using the form attached to Schedule A (the "Quotation") in accordance with the following specifications:

Specifications:

1. Pool Basin Preparation: Ensure that the pool basin is prepared according to the manufacturer's recommendations for surface preparation to facilitate optimal adhesion of the paint.
2. Paint Application: Apply the paint to the pool basin as per the manufacturer's recommendations for coverage. This entails administering two coats of Ramuc High Build epoxy paint, incorporating a white base coat, black race lines, and a red depth line.
3. Cure Time: Allow sufficient time in the project timeline to accommodate the manufacturer's recommended cure time, ensuring the paint sets properly and achieves maximum durability.
4. Provision of Tools and Supplies: Furnish all necessary tools and supplies required for the project in accordance with the manufacturer's recommendations. This includes, but is not limited to, providing appropriate ventilation, personal protective equipment (PPE), basin access equipment, ladders, scaffold, and safeguards to protect surrounding areas and equipment from paint and overspray.
5. Compliance: Ensure that the project complies with all relevant regulations, including those outlined by Workplace Safety and Health authorities.

6. **Timeline Sensitivity:** The project timeline must be sensitive to allow for the manufacturer's recommended cure time and the timely reopening of the facility within the specified shutdown period.
7. **Workmanship Warranty:** The project must be accompanied by a warranty for the workmanship, adhering to the guidelines set forth by the manufacturer.

Contractors interested in providing the Services are encouraged to review the attached Schedule A and submit a Quotation that aligns with the outlined specifications.

4.0 NO CONTRACT

This RFQ is simply an invitation for quotations for the convenience of all parties and should not be construed as an intention by the FVRD to enter into contractual relations with any party submitting a Quotation. The FVRD will provide written notice of acceptance of a Quotation in the event that the FVRD seeks to *acquire the Services* and formalize a contract for that purpose. The FVRD may negotiate changes to any terms of a Quotation for the purposes of finalizing a contract.

5.0 LIMITATION OF LIABILITY

By submitting a Quotation, each contractor irrevocably agrees that the FVRD shall not be liable to any contractor Proponent or any person whatsoever, for any claims of any nature (in contract, in tort, or otherwise), for any costs, expenses, compensation, damages, or anything whatsoever, including without limitation, costs and expenses associated with the Contractor's preparation and submission of their Quotation, their participation in this RFQ, for loss of revenue, opportunity or anticipated profit, arising in connection with its Quotation, this RFQ, any subsequent processes or opportunity, any contract, or any matter whatsoever.

6.0 CONFLICT OF INTEREST

Contractors shall disclose any potential conflict of interest and existing business relationship they may have with the FVRD, its elected or appointed officials or employees.

7.0 NO LOBBYING

Contractors and their agents are not permitted to contact any member of the FVRD Board of Directors or staff with respect to this RFQ, except as expressly provided for herein. Contractors will not offer entertainment, gifts, gratuities, discounts, or special services, regardless of value, to any employee or elected official of the FVRD. The FVRD reserves the right to disqualify any contractor from participation in this RFQ that acts in contravention of this requirement.
